

Deep Panda, Shell Crew, WebMasters, KungFu Kittens, PinkPanther, Black Vine, Group G0009

Archived: 2026-04-05 15:40:39 UTC

[Deep Panda](#) is a suspected Chinese threat group known to target many industries, including government, defense, financial, and telecommunications. ^[1] The intrusion into healthcare company Anthem has been attributed to [Deep Panda](#). ^[2] This group is also known as Shell Crew, WebMasters, KungFu Kittens, and PinkPanther. ^[3] [Deep Panda](#) also appears to be known as Black Vine based on the attribution of both group names to the Anthem intrusion. ^[4] Some analysts track [Deep Panda](#) and [APT19](#) as the same group, but it is unclear from open source information if the groups are the same. ^[5]
