## ↪ Tool: HenBox

Names	HenBox
Category	<a href="#">Malware</a>
Type	<a href="#">Info stealer</a>
Description	<a href="#">(Palo Alto)</a> Once installed, HenBox steals information from the devices from a myriad of sources, including many mainstream chat, communication, and social media apps. The stolen information includes personal and device information. Of note, in addition to tracking the compromised device's location, HenBox also harvests all outgoing phone numbers with an "86" prefix, which is the country code for the People's Republic of China (PRC). It can also access the phone's cameras and microphone.
