Microsoft Cares About Your Privacy

Microsoft and our third-party vendors use cookies to store and access information such as unique IDs and personal data/personal information to deliver, maintain, and improve our services and ads. If you agree, MSN and Microsoft Bing will personalise the content and ads that you see. You can select 'I Accept' to consent to these uses or click on 'Manage preferences' to review your options and exercise your right to object to Legitimate Interest where used. You can change your selection or withdraw your consent under "Manage Preferences" at the bottom of this page. [Privacy statement](#)
Number of Partners (vendors): **1019**.

We and our partners process data to

Use precise geolocation data and identify devices based on information actively requested. This is done to store and access information on a device and to provide personalized advertising and content, advertising and content measurement, audience research and services development.
