Welcome to the Broadcom Community

Find Your Communities

Our communities are designed by division, as you can see below. Visit each division's homepage for a list of product communities under each division. From there, click on the communities you're interested in, choose "Join Community," and select your notification settings. It's that simple. Join as many as you'd like.

Please note: Your first post to any of our communities will be placed in a moderation queue for review to help us prevent spammers from posting unwanted content. Our community managers closely monitor this moderation queue, and once your first post is approved, your posts will no longer go through moderation. Please do not submit the same post multiple times.

Well, switching off VBS did not solve the issue with Windows client VMs, bummer, I had some hope! 😞
Any idea left? 😊 ...

Hi Slawomir Pryczek , I've logged an internal bug. Could you please share the support bundle and the crash dump file, so we can investigate further? To generate Support bundle please follow: Help->Support -> Collect Support Data
