Tool: Protected Storage PassView

Names	Protected Storage PassView
Category	Tools
Type	Credential stealer
Description	Protected Storage PassView is a small utility that reveals the passwords stored on your computer by Internet Explorer, Outlook Express and MSN Explorer. The passwords are revealed by reading the information from the Protected Storage. Starting from version 1.60, this utility reveals all AutoComplete strings stored in Internet Explorer, not only the AutoComplete password, as in the previous versions.
