Tool: CamCapture Plugin

| | |
|-------------|---|
| Names | CamCapture Plugin |
| Category | Malware |
| Type | Exfiltration |
| Description | <p>(Cylance) This Win32 PE DLL arrives in a partially obfuscated form with its entry point obscured by garbage opcodes, useless instructions, and non-linear code flow. It exports several functions that can possibly be invoked with the use of Roland backdoor's run_dll command.</p> <p>Most of these exports provide various screenshot and video capture functionality.</p> |
