

Feodo Tracker

Archived: 2026-04-05 18:50:57 UTC

Feodo Tracker is a project of abuse.ch with the goal of sharing botnet C&C servers associated with Dridex, Emotet (aka Heodo), TrickBot, QakBot (aka QuakBot / Qbot) and BazarLoader (aka BazarBackdoor). It offers various blocklists, helping network owners to protect their users from Dridex and Emotet/Heodo.
