

Detection of Video Capture, Detection Strategy DET0695

Archived: 2026-04-05 16:50:00 UTC

AN1808

The user can view which applications have permission to use the camera through the device settings screen, where the user can then choose to revoke the permissions.

During the vetting process, applications using the Android permission `android.permission.CAMERA` , or the iOS `NSCameraUsageDescription` plist entry could be given closer scrutiny.
