

# Ajax Security Team, Operation Woolen-Goldfish, AjaxTM, Rocket Kitten, Flying Kitten, Operation Saffron Rose, Group G0130

Archived: 2026-04-05 13:27:21 UTC

[Ajax Security Team](#) is a group that has been active since at least 2010 and believed to be operating out of Iran. By 2014 [Ajax Security Team](#) transitioned from website defacement operations to malware-based cyber espionage campaigns targeting the US defense industrial base and Iranian users of anti-censorship technologies.<sup>[1]</sup>
