RansomEXX ransomware operators hit the popular Italian luxury fashion house Ermenegildo Zegna Holding and started leaking stolen files.

Zegna is one of the most famous Italian luxury fashion houses. It was founded in 1910 by Ermenegildo Zegna in Trivero, Biella Province of the Piedmont region of Northern Italy.

[Ermenegildo Zegna Group](#) is the largest menswear brand in the world by revenue. As of 2018, Ermenegildo Zegna operated 480 retail stores (267 of which company-owned) across the world. Following the company's strongly export-oriented strategy, exports account for over 90% of total sales.

The revenue of the company was €1.159 billion as 2018.

The RansomEXX ransomware group claims to have stolen 20.74GB of data from the company and leaked 43 archives (42 archives of 500MB in size and 1 archive containing 239.54MB of documents).
