

Analyzing and Unpacking Qakbot using Binary Ninja Automation

Published: 2024-01-23 · Archived: 2026-04-05 16:50:45 UTC

Throughout this stream we learned how to improve our Binary Ninja automation for decrypting a shellcode stage from a packed Qakbot sample. We then manually unpacked the remaining stages and began analyzing the function resolution logic within the final payload using Binary Ninja. ...
