

MOVEit hack victim list | KonBriefing.com

Archived: 2026-04-05 12:44:41 UTC

Which companies and organizations are affected by the global cyber attack by the Cl0p (Clop) criminals? Which government agencies were hit by the MOVEit vulnerability cyberattack? Here is a worldwide list.

KonBriefing Research is an independent analyst. The company has no relationship with any MFT software vendor.

The number indicates the total organizations affected (it is

not

the number of links)

Total: 2613

Because central service providers have been hit, there are chains of affected companies.

Numerous companies and organizations are affected in several ways.

This company checks whether it is affected in any way and informs its employees about it - perfect:

KonBriefing is an independent researcher and analyst in the field of IT security, information security, risk management and compliance. The company was founded in 2019 and is based in Germany.
