

Risk Detected

Archived: 2026-04-06 01:51:46 UTC

You have arrived at this page either because you have been alerted by your Symantec product about a risk, or you are concerned that your computer has been affected by a risk.

Before proceeding further we recommend that you run a full system scan. If no threat is detected we recommend you submit suspect files [here](#).

SYMANTEC ENTERPRISE CUSTOMERS

For assistance in locating suspect files please run a Threat Analysis report using the [Symdiag tool](#)

Submitted files are analyzed by Symantec Security Response and, where necessary, updated definitions are immediately distributed through LiveUpdate™ to all Symantec endpoints.
