Discover the adversaries targeting your industry

[Back to Adversary Universe](#)

SLIPPY SPIDER is an extortion group that predominantly conducts theft and leak operations as well as occasional website defacements, dox attacks, and DNS-hijacking operations. Open-source reporting has labeled SLIPPY SPIDER as a ransomware group, but this appears to be inaccurate; one member has previously been associated with the ransomware variant Ngwen, but as of November 2025, CrowdStrike Inte...
