

# Devicecredentialdeployment on LOLBAS

Archived: 2026-04-05 20:22:22 UTC

Device Credential Deployment

## Paths:

- C:\Windows\System32\DeviceCredentialDeployment.exe

## Acknowledgements:

- Elliot Killick ([@elliotkillick](#))

## Detections:

- IOC: DeviceCredentialDeployment.exe should not be run on a normal workstation
- Sigma: [proc\\_creation\\_win\\_lolbin\\_device\\_credential\\_deployment.yml](#)

## Conceal

1. Grab the console window handle and set it to hidden

```
DeviceCredentialDeployment
```

Use case

Can be used to stealthily run a console application (e.g. cmd.exe) in the background

Privileges required

User

Operating systems

Windows 10

ATT&CK® technique

[T1564: Hide Artifacts](#)
