Tool: Brata

Names	Brata AmexTroll Copybara
Category	Malware
Type	Banking trojan , Info stealer , Credential stealer
Description	(Cleafy) The attack chain usually starts with a fake SMS containing a link to a website. The SMS seems to come from the bank (the so-called spoofing scam), and it tries to convince the victim to download an anti-spam app, with the promise to be contacted soon by a bank operator.
